

Dear Trout Creek Academy Community,

We are so excited! After much anticipation and careful consideration, we are proud to introduce to you TCA's identity, symbolized by our new logo and mascot.

Introducing... *drumroll*... the Trout Creek Academy Terrapins!

Our choice of the Terrapin as our mascot reflects strength, resilience, and adaptability - qualities that resonate deeply with our community's ethos and the spirit of our students and staff. Just like the mighty Terrapin, we embrace challenges head-on and persevere with unwavering determination.

We believe that this emblem encapsulates the essence of Trout Creek Academy - a place where every individual is encouraged to thrive, grow, and reach their full potential.

This unveiling marks an exciting chapter for us all, filled with endless possibilities and opportunities for growth. As we proudly don the colors of the Terrapins, let us unite as one community, embodying the values of resilience, unity, and excellence in all our endeavors.

Thank you for your unwavering support and enthusiasm as we start this journey. Together, let's make the era of the Trout Creek Academy Terrapins one to remember!

Go Terrapins!
